

7th City Council District

David Sasscer-Burgos (D)

Hi. My name is David Sasscer-Burgos. I am running for City Council Representative from District 7. O, si prefieres, yo me llamo David Sasscer-Burgos. Yo me estoy postulando para representante al consejo municipal para el distrito siete.

I grew up in Puerto Rico, but my ties to the Upper West Side, Morningside Heights, West Harlem and Washington Heights go back for generations. My mother grew up on 106th St. and Amsterdam, my grandparents had a bodega called "El B&M" (Burgos Y Miranda) in the neighborhood and my grandfather was the minister of the first Spanish speaking congregation at West End Presbyterian Church. So when I moved to the neighborhood almost 20 years ago to study at Columbia University, I was truly coming home.

I've never run for office before. I'm a citizen-politician. I know what it's like to get up every morning and go to a job. And I know what people are concerned about. I will fight for affordable housing. I will fight for broader, more affordable health care. I will ensure that energy efficiency and sustainability are taken seriously in the city council. I will ensure that parents can send their kids to world-class schools. And I will fight to make sure that small businesses are allowed to succeed and are not held back by needless red tape and regulations.

I invite you to take a look at my website at www.DSB2013.com to read more about my positions and my qualifications and to learn more about who I am. And I promise that, if I'm elected, I've got your back. And don't forget to vote for David Sasscer-Burgos on September 10th. Y no te olvides de votar para David Sasscer-Burgos en septiembre 10. Thank you for your support. Muchisimas gracias por su apoyo.
