

46th City Council District

Mercedes Narcisse (D)

Hi! My name is Mercedes Narcisse and I'm a candidate for Brooklyn's 46th Council District. When I'm elected I will become the first woman ever to win this seat in over 50 years. Yes, in a district where over 54% of the population are women, we have never had a voice in government. I'm running to change that. But more than that I'm running to put CHILDREN AND FAMILIES FIRST. As a single mother of five, a Registered Nurse for over 20 years and a successful small business owner, I know how to solve problems and put New Yorkers back to work and create decent paying jobs. That's why I worked with hundreds of residents affected by Hurricane Sandy and those who are still suffering from the effects of the worst housing crisis in a generation. I don't run away from hard work, nor do I just show up for photo ops. I am a pro-business individual. I support a woman's right to choose and I believe that I'm the best choice to lead this diverse district.
